Dear Lokeshwaraprasad.V,

Wohoo! You've made it till here. Congratulations on successfully completing your milestone(s) in the [Google Cloud Arcade Facilitator Program 2024](#). Please find the milestone that you have completed along with the **"Arcade Bonus Points"** that you have earned below.

See your Milestone & Bonus Points below

You can see the milestone that you have completed in the program plus the Arcade Bonus Points that you have earned in the table below. **Note:** The table only shows the Bonus Points that you have earned and not the "Total Points".

Calculating "Total Points" - You can calculate your "Total Points" by adding the Bonus Points below with your overall Arcade Points that you

can get using the [points system on the Arcade site](#). (Note: You will also see your "Total Points", including both Arcade + Bonus points in the next Arcade Insider newsletter email. Keep an eye out on your email inbox.)

Milestone Completed	Bonus Points
Milestone 1: Complete 1 Arcade Game, 1 Trivia Game & 10 Skill Badges	2

See the Bonus Points system of Arcade Facilitator program [here](#).

Redeeming points at the Prize Counter in December

The next Arcade Prize Counter will open in **December 2024**. You will be able to use all of your earned points (both Bonus + Arcade points) during the prize counter to **redeem exciting Google Cloud goodies and prizes**. (See available/upcoming prizes and milestones on the [Arcade site here](#))

What do I do until then? - Do note that the Arcade milestones are different from the Arcade Facilitator milestones. So while you might have earned points in the facilitator program, do remember to check the [Arcade milestones](#) and **if you are running short of any points there to reach a milestone**, then we motivate you to keep on participating in more Arcade Games & Trivia and **earning more Arcade Points** so that you can redeem the maximum possible milestone.
